

Become a PrescQIPP Champion

We are looking for Trust pharmacists or pharmacy technicians to become PrescQIPP Champions

Join over one hundred NHS colleagues in this important and interesting role

We provide training and support so all PrescQIPP Champions become experts on all the available PrescQIPP resources and tools. As a Champion you will cascade this knowledge throughout your Trust to optimise the benefits of the PrescQIPP subscription.

The training will include presentations and resources that you can use to disseminate information locally. Champions are also included in the development of resources, so that you can tell us if they meet your strategic needs or if there are gaps in the information.

This will be an opportunity to work more closely with the PrescQIPP team and receive PrescQIPP resources first.

As a PrescQIPP Champion you will have exclusive access to:

- PrescQIPP resources masterclasses
 - Data masterclasses
 - Leads emails
 - Access codes to trial PrescQIPP e-learning courses
 - The PrescQIPP monthly senior brief webinars (if nominated by your subscriber lead)
 - Leadership and communication skills training
- ...and much more

Who are we looking for?

We are looking for pharmacists or pharmacy technicians who have good “Championing” skills, alongside:

- Experience of, or willing to gain experience of, using PrescQIPP resources
- Good presentation skills
- Ability to network effectively with colleagues
- Good IT skills
- Keeness to undertake the role

Although this is a non-remunerated role, you will gain some great experience for career development and get a head start with PrescQIPP resources.

Commitment

As a PrescQIPP Champion you will spend up to eight hours a month on this work, but this would run alongside other work you are involved with, and is completely flexible. We ask for a firm commitment to attend virtual PrescQIPP Champion meetings four times per year consisting of:

- Two hour leadership training/development session – Agenda items such as leadership, communication skills, sharing successes and problem solving
- Four webinars per year, each lasting two hours, where the PrescQIPP team will update you with all the latest PrescQIPP resources that have been produced since the previous meeting

E-learning

PrescQIPP Champions will be given passcodes so they can access our e-learning courses free of charge. We hope that by viewing our e-learning courses, PrescQIPP Champions will be able to advise their organisation when they are considering purchasing e-learning for their area.

Key dates

 <p>JUNE 15</p>	 <p>SEPTEMBER 7</p>	 <p>SEPTEMBER 14</p>	 <p>NOVEMBER 17</p>
Monday 15 June 2026 10.00-12.00	Monday 7 September 2026 10.00-12.00	Monday 14 September 2026 10.00-12.00 Development session	Tuesday 17 November 2026 10.00-12.00

If you would like further information or an informal chat about becoming a PrescQIPP Champion, please contact Karen Homan, karen@prescqipp.info

If you are interested in becoming a PrescQIPP champion, please contact your Chief Pharmacist. They will consider all applications and nominate their chosen Champion across each Trust.

The online PrescQIPP Champion nomination form is [available here](#).
